

Can' Leandro 'La Vella'

(DO Valencia)

80% Merseguera, 15% Malvasia, 5% Tortosí

A blend of the old indigenous grape Merseguera, from a plot that grows on the north facing slope of the hill, as well as some Malvasia, and a tiny plot of another native grape Tortosí, all come together in the cellar for natural co-fermentation in stainless steel, where the wine remains on the lees for about 5 months before bottling. The resulting fresh white is remarkably bright with aromas of green apples, sea-spray, and faint white flowers. In the mouth, the fruit is zippy and zesty with citrus, saline, and mouthwatering acidity, all the while still retaining fantastic texture that lasts through to the long finish.
