

Davide Duo

(DO Rias Baixas)

Albariño & Godello

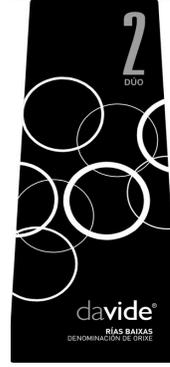

Davide Duo is a unique and interesting blend from Rias Baixas that is made only in very small quantities. Coming predominately from the common local varietal Albariño for its freshness, bright fruits, and complex aromas, the Duo blends the plush and rich Godello grape to create a truly memorable wine. It is given ample contact with the lees before bottling, creating a wine that is remarkably rich and full bodied, loaded with citrus and tropical fruit notes, beautiful minerality, and a lingering finish of flowers, spice, and nuts.
