

## Gurrieri Don Vicé Cerasuolo di Vittoria

(Cerasuolo di Vittoria DOCG)

*Nero d'Avola & Frappato*

The Don Vicé is DOCG Cerasuolo di Vittoria, meaning it is a blend of the two prominent red varietals of the area: Frappato and Nero d'Avola. When these two grapes come together, the balance is extraordinary, as the light and fresh, acidic nature of the Frappato compliments the darker fruit and earthy structure of the Nero d'Avola. Very floral and aromatic on the nose, and on the palate, there is a wonderful body, freshness, fruit, earth, and soft tannins. This wine is a perfect red for a table of meats, charcuterie, cheeses, and pasta.
