(Pinot Grigio delle Venezie IGT)

100% Pinot Grigio

The Redentore Pinot Grigio comes from the 'second label' of the De Stefani estate. Created in the same natural style as the flagship wines from the property, the Redentore line takes advantage of some of the younger vines (15 years) of the estate, and this Pinot Grigio has so much style and grace, with ripe tree fruits, spicy citrus notes, and a long unique herbal finish. Ideal with many types of appetizers and seafood, this white is medium to full-bodied, and has a quality and value that cannot be ignored.
