

## Solar de Rande Rosado

(DOCa Rioja)

Garnacha, Tempranillo, Viura

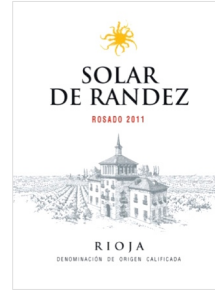

This delightful Rosado is made in the Provençal style, veering away from the typical 'Spanish' approach to bigger rosé wines, and venturing into the more 'French' approach of lighter body and fruit. Beautifully pale in color, with great aromas and flavors of red fruit with a depth of minerality, this spring release is perfect for many types of cuisine, and a perfect option for those seeking a leaner style rosé from Spain.
