

Uva de Vida 'Latitud 40' Graciano

(Vdt Castilla)
100% Graciano

These grapes are hand harvested and brought in for a 4-day cold maceration before the grapes begin to naturally ferment in stainless steel tanks with pump-overs twice a day until nearly a month passes when it has finished. The finished wine is vibrant and fresh on the nose with hints of lilac, menthol, and under ripe red cherries. On the palate, a flush of wild blueberries, black cherries, and cool mint crowd together with good acidity and soft yet persistent tannins. The finish is long and juicy, with ample texture, blueberry skin, almonds, and a touch of cocoa nib. Serve slightly chilled.
