

Vila Voltaire 'Gros Grains'

(Coteaux d'Enserune IGP)

80% Aramon, 20% Cinsault

Made from 80% Aramon, a local grape of southern France that was prolific in the early 1900's, as well as 20% Cinsault, the grapes are harvested together and begin natural fermentation in stainless steel tank after bleeding about 40% of the juice off

for rose, and to bring more concentration to this already light and juicy fresh red. The entire process may be done without the use of sulfites, keeping the wine as exuberant and grape forward as possible. The resulting wine is absolute dynamite, fresh with juicy black raspberries, blueberries, and garrigue herbs on the nose. The palate is verging on a 'glou-glou' style, so easy and crushable in weight, but has lovely depth to the blue fruits and even has a touch of rustic tannin underneath.
