

## Sexto Elemento 'David & Goliath' Bobal

(Utiel-Requeña D.O.)

100% Bobal

This is Sexto Elemento's youngest and freshest Bobal coming from the estate's 60-year-old vines grown in lime soils, the grapes are hand-picked and pressed in an old-school basket press, and go through natural fermentation in the barrels that it is also aged in. After 12 months in new and used oak, and having seen no additions whatsoever, the result is magnificent and remarkably expressive, with dark and decadent fruit, lifted by its fresh acidity and spicy tones, and is underlined with grippy tannins and dank earth. This is a wine to sit and contemplate over.
