

## Sexto Elemento 'Respeto' Bobal

(Utiel-Requeña D.O.)

100% Bobal

The Respeto is the most intense expression of Bobal as it comes the estate's 95-years-old vineyard, is hand-picked and pressed in an old-school basket press, and goes through natural fermentation in the barrels that it is also aged in. After 24 months in new and used oak, and with no additions whatsoever, the result is intense and stunning with dark and decadent ripe black fruits, wet earth, rich spices, and creamy warmth. The palate is natural and robust, following the loaded tones from the nose, and stocked full of gripping tannins, yet still with ample acidity. A wine for the decades.

*Bon Vivant*
