

## Alzania 'El Retorno' Garnacha

(DO Navarra)  
100% Garnacha

In an area that is now well known for its use of international varieties, Jose Manuel has recovered one particular old vineyard (and the only one left of its kind) that has olive trees and bush vines of Garnacha growing together in harmony. The Retorno is made to showcase this incredible plot. The wine rests in French oak for 7 months before it is moved to large French oak vats for a final 3 months of rest before bottling. Gorgeously balanced between fruit, earth, wood, spice, and acidity, the aromas and the flavors are harmonious and beautifully expressive of the variety. Fresh spring flowers, blue and red fruit character, wet rocks, and peppery spice come together for an elegant medium to full bodied red. A perfect bottle for many occasions and cuisines.
