

## Can' Leandro 'Pampolut'

(DO Valencia)

100% Merseguera

The Pampolut is made from 60-year-old bush vines that grow on a small plot of very white limestone. The vines produce intense and magnificent fruit, which must be hand-harvested, and then brought to the cellar for a gentle hand pressing. Natural fermentation took place in used French barrique, where the wine rested for 5 months with soft batonnage. The aromas that jump from the glass showcase sweet coconut flesh, acacia flower, and crisp apple. The palate hits quite differently with remarkable freshness that balances fruit and acidity, complex layers that merely hint at wood, and a very long and salty finish.

*Bon Vivant*
