

En Números Vermells Garnatxa Blanca

(Priorat D.O.Q.)

100% Garnatxa Blanca

The Garnatxa Blanca is among the greatest examples on the planet of this remarkable grape. The old-vine fruit came into the cellar for a fermentation in 500L oak barrels, along with clay amphora, which lasted for nearly 40 days before it was then moved to stainless steel tank to rest before bottling. The result is as dynamic as it is layered, with honeyed fruit and a brilliant sense of purity on the nose. On the palate, the Garnatxa Blanca leaves no component unrepresented, as its minerality, fruit, weight, and acid all come together in unison to make a harmonious white of elegance and prestige.
