

## Famille Fabre 'Équilibre' Viognier

(IGP Pays d'Oc)

100% Viognier

FAMILLE FABRE 

The Équilibre Viognier comes from a beautiful area in the center of the domaine's holding, perched in the middle of the Corbières AOC. 15-year-old vines that grow organically on pebble filled grounds, over clay and limestone subsoil, where the daily winds give depth to the developing grape's maturity. After a few months on lees, the wine is filtered and bottled, ready for immediate consumption to enjoy the brighter side of the grape. On the nose, the wine expresses fresh stone fruit, honeysuckle, and peppermint, and then leads to a mouthful of lovely texture, but far from heavy or cloying. Ripe peach, apricot preserves, white flowers, and all with a stony drive, this white fills the pallet from front to back, and continues to develop through to the finish with ample acidity.

*Bon Vivant*
