

Famille De Boel France 'Je Vous Adore'

(Vaucluse IGP)

75% Caladoc, 15% Grenache, 10% Carignan

The 'Je Vous Adore' Rosé comes from a small plot of vines planted within the Vaucluse region of the Southern Rhone. The predominant grape is known as Caladoc, which is blended with a touch Grenache and Carignan, and all is directly pressed from whole clusters for its fermentation in stainless steel vats. In the early spring, the wine is bottled and has a gorgeous dark pink color, and shoots forth brilliant aromas of young strawberries, white flowers, and mineral. The mouth feel is full, yet has a lightness that dances on the tongue with bright red berries, sweet citrus, and a kiss of lavender.
