

Saenz-Olazabal 'Gardacho' Blanca

(DO Navarra)

100% Garnacha Blanca

This 100% expression of the local Garnacha Blanca grape comes from a small plot where Cabernet Sauvignon grew for just over 20 years before it was re-grafted to plant this famous Spanish white grape. After a hand harvest, the grapes spent about a day of cold maceration, fermented naturally in stainless steel tanks and remained in contact with its fine lees for about 2 months. The finished wine has beautiful citrus fruit aromas, hints of boxwood, and a palate that is balanced between lovely fruit, acidity, and alcohol.
