

## Loghi Rosso 'Cinabro'

(Orcia DOC)

Sangiovese & Colorino

The Rosso Cinabro is a remarkable example of the little known Orcia D.O.C. of Tuscany. Traditionally based on Sangiovese blends, this wine consists of 85% Sangiovese and 15% Colorino, the well-known blending grape that is aptly named for its intense dark color that it adds to other grapes. With one year in used French barriques this wine is serious and robust, yet still quite lively and fresh on the palate. Loads of earth-driven fruit, spice, and forest mushroom resound on the nose as well as in the mouth, giving way to a natural and fresh acidity that only the local Sangiovese can give.

*Bon Vivant*
