

## Mesquida Mora 'Sincronia Blanc'

(VdIT Mallorca)

*Prensal, Parellada, & Chardonnay*

The Sincronia Blanc is made of Prensal, Parellada and Chardonnay, coming from the island of Mallorca. Having seen a hand harvest, separate fermentations, and a combination for a short aging in stainless steel on the lees, this wine saw no sulfur throughout the entire wine-making process until the very end when bottling to ensure safe travels over sea. The final wine is soft yet has incredible texture and freshness, and displays the style and personality of the island.

*Bon Vivant*
