

Mesquida Mora 'Sincronia Negre'

(VdIT Mallorca)

Callet, Mantonegro, Syrah, Merlot

The Sincronia Negre is made with some of the island's local varieties, Callet and Mantonegro, and blended with more international varieties (Syrah and Merlot). After a hand harvest, separate fermentations (all in stainless), and assemblage into 2nd and 3rd use American and French oak barrels for 4 months, the wine is bottled with freshness as well as some power. Rich dark fruits and spice show brightly in this red, with ample tannins and very balanced acidity. A long and graceful finish follows the robust mouth-feel.
