

## Quinta do Montalto 'Cepa Pura' Fernão Pires

(VR Lisboa)

100% Fernão Pires

FERNÃO PIRES

The Cepa Pura Fernão Pires is a unique and delicious wine that comes from a local and very particular variety that has been planted in the area since medieval times. Having gone through a natural fermentation in both American and French oak barrels with no temperature control, and after regular stirring of the fine lees, the wine is bottled and ready for consumption; although due to the complex nature of the grape and this wine, a bit of time in bottle or a decanting before drinking is recommended. The aromas are spicy with hints of wood, apple, distant flowers, and stone, leading to a fresh palate loaded with texture and zip at the same time. The fruit and acid are persistent in the mouth, and the finish is lingering and complex yet clean.

*Bon Vivant*
