Quinta do Montalto not only dates back five generations to the year 1880, but also is one of very few wineries that continues to carry on a traditional style of local wine that dates back to the 1100’s, made in the same traditional way it always has been, and is now under the D.O.C. of Medieval de Ourém Encostas d’Aire. In general, the wines are labeled Vinho Regional Lisboa, because they are in the most northern zone of Lisboa (previously Estremadura), between the villages of Ourém and the religiously famous Fátima (where the Blessed Virgin Mary was said to appear to three children in 1917). Montalto is perched in the middle of 50 hectares of certified organic land, 15 of which are vineyards, and the rest are dedicated to fruit, gardens, and forest. Their production of native varietals is beautifully illustrative of the grapes and area, as they use native yeasts for the fermentation of their Medieval and red wines, very neutral oak, and light filtering methods. The wines are pure, expressive, an incredible value, and a wonderful representation of what the region is known for.

The *Filas Bag-in-Box Red* is a vibrant and fresh red wine from the Quinta do Montalto estate vines. The mix represents a varied blend of the grapes from the estate, but is predominately composed of Aragonez and Trincadeira. Fermentation in stainless steel takes place with all of the fruit together, and is held in tank until the Filas is ordered from customers. The wine is then lightly filtered and ‘bagged’ into 3-liter bibs, and shipped immediately to retain as much freshness as possible. The resulting wine is not only an extremely great value for a small family winery producing certified organic fruit, but the flavor profile and drinkability is what makes this wine a no brainer. Fresh cherries, plums, mushrooms, and light spices shoot forth from the nose, and lead to a palate that is full of great fruit, clean acidity, ample tannins and surprisingly good texture. All of which gives incredible value to this red when compared to anything in this league of tastiness. This wine will drink well for at least 3 or 4 weeks from when the bib is opened.
