

Quinta do Montalto 'Vinha da Malhada'

(VR Lisboa)

Trincadeira, Castelão, Alicante Bouschet

The Vinha da Malhada takes its name from a 3.5-hectare vineyard of the estate where much of this fruit comes from. It is a blend of three local varieties that were brought into the cellar for a natural fermentation in stainless steel tanks. Once both fermentations completed, after a few months the wine was bottled without filtration to result in a lively and wonderful red. The color is deep and robust, and the aromatics that shoot from the glass are fruity and fresh. The palate offers a very deep structure while being noticeably light on its feet, with bright tones of fruit, and a clean sensation of soil and place.
