*Niccolò's mother was the first to plant the family property with vineyards
and was the first female winemaker in the Chianti Classico DOCG*

La Querce Seconda is a small, organic Chianti Classico family estate that is located between San Casciano Val di Pesa and Montespertoli in the northern part of the DOCG region. Niccolò Bernabei is the second generation of his winemaking family, and in 1995, he and Linda Sandkvist took the project to a more serious level. Their property stretches for about 45 hectares, covering untouched forests, olive orchards, a lovely agriturismo, and of course, naturally farmed vineyards. Completely devoted to only using Sangiovese in their Chianti, the duo exerts continual efforts into the earth (a clay and sand mixture accompanied by large rocks), in order to make sure the vines express the terroir of the area to the best of their abilities. With only naturally occurring yeasts, extremely low sulfur practices, and very old and large oak use; the expression they can achieve from their beautifully cared for vines is extraordinary.

*La Querce Seconda = The Second Oak
The furthest north winery in the Classico zone, only 9 kilometers south of Firenze*

The 2014 *Chianti Classico* comes from *La Querce Seconda's* pristine organic fruit that grows on galestro soils of loose marl and limestone. Hand harvested at about 2.5 tons per hectare, the wine is left to ferment naturally in stainless steel before it is moved to 10-year-old, 2000-liter French oak tonneau. Very low amounts of sulfites are used, retaining the pristine quality of the estate's 100% Sangiovese grapes in their wine. This classic Chianti results in incredible depth of flavor, structure, and class, with a beautifully harmonious aroma; complex with notes of red fruit, currant, plum, spice, light balsamic, and eucalyptus. The palate reconfirms these characters along with a remarkable structure of integrated tannins, acidity, and a long, well-balanced finish. Enjoy this wine with rustic Tuscan fare, game, firm Pecorino, or tomato-based dishes.
