*Niccolò's mother was the first to plant the family property with vineyards  
and was the first female winemaker in the Chianti Classico DOCG*

La Querce Seconda is a small, organic Chianti Classico family estate that is located between San Casciano Val di Pesa and Montespertoli in the northern part of the DOCG region. Niccolò Bernabei is the second generation of his winemaking family, and in 1995, he and Linda Sandkvist took the project to a more serious level. Their property stretches for about 45 hectares, covering untouched forests, olive orchards, a lovely agriturismo, and of course, naturally farmed vineyards. Completely devoted to only using Sangiovese in their Chianti, the duo exerts continual efforts into the earth (a clay and sand mixture accompanied by large rocks), in order to make sure the vines express the terroir of the area to the best of their abilities. With only naturally occurring yeasts, extremely low sulfur practices, and very old and large oak use; the expression they can achieve from their beautifully cared for vines is extraordinary.

*La Querce Seconda = The Second Oak  
The furthest north winery in the Classico zone, only 9 kilometers south of Firenze*

The 2016 Chianti Classico Riserva comes from La Querce Seconda's pristine organic fruit that grows on galestro soils of loose marl and limestone. Hand harvested at about 2.25 tons per hectare, this 100% Sangiovese is left to ferment naturally in stainless steel before it is moved to old barrels of both 500 and 2000-liter French oak. The resulting wine is stunning, with classic structure and flavor showcasing Tuscany's most important variety. A mature bouquet of ripe fruits, cherry, pomegranate, and violet shoot from the glass with an enticing elegance that foreshadows what is to come. A myriad of wild berries, raspberries, currant, spice, and slight toasted notes come out on the palate and combine with a balanced tannic grip and clean acidity. A silky finish that goes on and on, showcasing the elegance that was alluded to from the aroma. This is a wine to continue to age, but also to enjoy around an Italian feast of rich meats, cooked tomatoes, and artisan cheeses.
