

La Querce Seconda Chianti Classico

(DOCG Chianti Classico)

100% Sangiovese

A wine that comes pristine organic fruit that grows on clay soils with layers of chalk, marl, and sand. After a hand harvest, the wine is left to ferment naturally in stainless steel before it is moved to 10-year-old, 2000 liter French oak tonneau. Very low amounts of sulfites are used during vinification, and results in a wine with incredible depth of flavor, structure, and class. The nose is beautifully harmonious; complex with notes of red fruit, currant, plum, spice, light balsamic, and eucalyptus. The palate reconfirms these characters along with a remarkable structure of integrated tannins, acidity, and a long, well-balanced finish.
