

Quinta do Romeu Reserva

(Douro DOC)

Touriga Nacional, Souzão, Touriga Franca

The Reserva is the estate's top red wine coming from all organic and handpicked grapes. After fermentation is complete, continued maceration takes place for extra color and flavor complexities. No filtering or fining takes place, and the finished wine is intense yet remarkably elegant. Floral aromatics from the Touriga Nacional shine through, with orange blossom and violets, followed by wild strawberries, raspberries, gooseberries, spice, and toast. A silky mouth feel is fully structured with gripping tannins, gorgeous fruit, fresh acidity, and lovely floral components.
