

Santa Giustina 'Il Superiore'

(Gutturnio D.O.C.)

60% Barbera, 40% Croatina

From the estate's 10-year-old vineyards of Barbera and Croatina in Emilia-Romagna, comes the Il Superiore blend. The grapes are all organic and without sulfur additions, handpicked at optimal ripeness, softly pressed, and taken to very low temperatures before fermentation to retain the fresh and fruity character of the must. After only time in stainless steel, the wine is bottled to show a bright freshness through a faint effervescence, accompanying its brilliant red color. The delightful aromas and flavors show clean red fruits, as well as earthy forest floor. It is a very well balanced wine with great acidity and roundness.
