*'Since the character and personality of a wine is born in the vineyard,
we work with dedication and respect to achieve the maximum expression of the land'*

Staking claim in the village of Mucientes, *Bodegas Sinforiano* was founded in 1966 by Sinforiano Vaquero and Daniela Gomez. Now carrying the torch, the families' children are carrying out the family traditions with new winemaking techniques in their new contemporary cellar (a big change from their once small, underground cellar). They hand-harvest each vineyard of Tinta del País vines ranging from 40 to 120 years old. Being that the Cigales DO is becoming more and more known for its longer lived and wonderfully powerful reds, Bodegas Sinforiano is a great example of what can be done in this lesser-known region.

*'Sinfo' was the nickname for Sinforiano Vaquero, the founder of the winery
Sinfo passed away in the summer of 2015 along with the release of his 2009 50th harvest limited wine*

The *2014 Sinfo Tinto Roble* is made using only Tempranillo from beautifully mature vineyards. It is aged for roughly 6 months in American and French oak, after it was naturally fermented in stainless steel, and bottled unfiltered and rests for at least 12 months before going to the market. On the nose, it shows red and black berry fruit with some exciting floral and perfumed notes. In the mouth, it is powerful with strong tannins but it softens nicely and finishes smooth and pleasant with lingering cherry and spice notes. The minerality and Spanish flare in this wines is distinct and fantastic; a beautiful full-bodied red at a great price.
