

Sinfo Tinto Roble

(DO Cigales)

Tinta del País (Tempranillo)

The Sinfo Tinto Roble is made using Tempranillo from a 40 year old vineyard. It is aged for roughly 4 months in American and French oak. In the nose, it shows red and black berry fruit with some exciting floral and perfume notes. In the mouth, it is powerful with strong tannins but it softens nicely and finishes smooth and pleasant with lingering cherry and spice notes. A beautiful full-bodied red at a great price.
