ALCOHOL	12.62%	AGE OF VINEYARD(S)	25 years old
FERMENTATION	Stainless steel Indigenous yeasts	SOIL TYPE	Karstic rocky soil 50/50 clay/limestone
AGING	6 months in stainless; 3 months in bottle	ELEVATION	365m
FILTER/FINING	Light/None	FARMING METHODS	organic / biodynamic
TOTAL SULFUR RS	68 mg/l .5 g/l	PRODUCTION	7,000 bottles

*Filipo Petrera lived until the age of 98, and each morning for breakfast he had a half-liter of fresh milk and a half-liter of Primitivo*

Azienda Agricola Petrera Pasquale has been making wine in the Gioia del Colle region since the late 1800's. Like many wineries in the area, bottling wine came very late to the game, and 5 generations later, the first bottles of 'Fatalone' were produced in 1987. A winery with intense dedication to the earth, their organic farming practices prove to make exceptional Primitivo Gioia del Colle on many different tiers. It is not so farfetched to learn that the aging wine is accompanied by calm music, when tasting the light, yet serious wines from this house. An elegance that can only be experienced on the tongue, we find their style to compete with some of the greatest wines of Italy.

*"Who loves and respects nature, loves God and himself"*

The 2022 Fatalone Bianco 'Spinomarino' is the only white wine of this estate and comes from just one half hectare of 25 year old Greco vines. The grapes come into the cellar and go into the press but stay on in clusters for about 8 hours until pressed off. The wine then undergoes natural fermentation but does not go through malolactic fermentation after a rough filtering, in order to retain the incredible minerality the area provides its wines with. In 2022, the harvest was early (about 2 weeks) because the growing season was warm and intense, still allowing for plenty of acidity to stay in the grapes, but it was a vintage that gave more intensity and power to the finished wine, with bolder fruit, and a clear minerality. This beautifully textured wine has scents and flavors of flowers, green apple, exotic fruits, and honey, and leads to a pronounced and stoney mineral edge that lingers on the finish. This lovely fresh white lends itself to pair ideally with cheeses, vegetables, and fish.
