

Sumarroca Cava Brut Rosado

(Cava DO)

Pinot Noir & Garnatxa

The Cava Brut Rosado is predominately made from the Pinot Noir that grows directly around the estate. With a small dose of Garnatxa, this wine is vivacious and exciting in the glass. An explosion of aromas of wild strawberries, raspberries, and rose petals jumps from the glass, leading to a palate that is fresh with berries, cranberries, cherry blossom, and rhubarb. A very crisp and refreshing Cava with persistent and clean bubbles, it is ideal for the dinner table or any occasion possible.
