Superior	AGING	3 years	ELEVATION	75 meters
*Lisbon	BARREL TYPE/ YEARS IN USE	None	FARMING METHODS	Sustainable
★ Lisbon	FILTER/FINING	None	HARVEST TIME	Late September / Early October
	TOTAL SULFUR/ RS	76 mg/l 105 g/l	PRODUCTION	

"The greatest port wines come from the Cima Corgo. But there are places for saints where the Holiness is greater. And so it happens in Roncão, the greatest wine of all." — Miguel Torga

Vieira de Sousa is a newly founded official Port house that dates back to the 18th century; as they have always farmed exceptional fruit from the Douro River region, but historically have sold the majority of their juice to the large estates as their primary business. Having also made small bits of port for the family for over a century, the house has now moved to making only their own Port as Luisa Vieira de Sousa Borges (the current and now operating generation of the family) completed a degree in oenology in 2008, and was ready to take her family's business to a new level. She is 30 years old, ambitious, and tackling a world of old traditional wine made by old men and doing incredible things with her family's property. Only estate fruit is used for these incredible wines, coming from four different quintas (vineyards) at varying elevations, dispositions, and influences. In 2009 they bottled their first vintage port from their top Quinta do Roncão Pequeno site, the rest will now be history. They foot crush the fruit in old stone lagares, let only the natural yeasts begin the fermentation in stainless steel, allow natural settling for clarification, and they use incredibly delicate brandy for fortification. The result in their aged wines is exceptional, classic, and will be recognized as some of the greatest Ports available.

After 5 generations of producing grapes & Port for 'big guys,' Vieira de Sousa is now making and selling their own authentic Port. Think of it as one of the first available 'Grower Champagnes' of the Port Country.

The *2019 Vintage Port* is a powerful and incredible example of a 'classic' vintage in Port country. The year was strange however as it was extremely dry, yielding 25% less fruit than the previous year yet with a very early maturation of grapes. However, the quality of fruit was exceptional, giving dark thick skins and perfectly ripe seeds, and made for a very vibrant Vintage Port. Hand-harvested fruit was brought into the cellar for an old-fashioned foot crushing into large granite lagares to begin natural fermentation. When halted by fortification with grape brandy, the wine was then aged for three years in stainless steel before being bottled. Like vintage Port always promises, this wine is robust and superbly concentrated, while having compact precision and amazing elegance on the palate.
